## Shield Yourself

AWAY Chemical introduces Listo-Shield, a floor drain screen designed to wash away the build-up of scum, sludge and other accumulations, thereby preventing Listeria, algae, fungus and bacteria from forming. Listo-Shield is used in areas of food service preparation, hospital kitchens and many other production areas. Listo-Shield's time released product is activated by water to produce a continuous metered cleaning action. Listo-Shield drain screen is easy to use, fits all floor drains and it is safe and economical. Have the competitive edge with Listo-Shield.

## Personal Product

Spray Buddy personal dispenser and H2Orange2 hydrogen peroxide-based cleaner satisfy all your spray cleaning needs, with one hand-held adjustable-dilution unit that provides streak-free glass cleaning, wipe-down cleaning, restroom, carpet spots, degreasing, tile and grout and odor destruction. H2Orange2 kills bacteria and virus.

Simply fill the chemical chamber with H2Orange2, fill water into a separate chamber, pump up some pressure and Spray Buddy does the rest. Turn the metering valve to select one of four solutions.
